VALIO SUONENJOKI *jam factory*

The Suonenjoki Jam Factory, founded in 1974 and part of Valio since 1984, produces jams, marmalades, purées, fillings, and industrial preparations. The factory employs around 100 people, produces millions of kilograms annually, and operates under FSSC 22000, ISO 14001, and ISO 9001 certifications, supported by its own product development unit and laboratory.

CUSTOMER-SPECIFIC *solutions*

Customer-specific solutions are developed together with customers and Valio experts for the bakery, snack, ready meal, dairy, and ice cream industries. Solutions range from tailored products to jointly developed concepts, all manufactured with the same high quality and precision as all Valio products.
