

GUIDE TO REDUCING FOOD WASTE

These tips will help you safely store and reuse your Finlandia products while helping the environment!

TIP 1

STORE

Wash your hands before handling cheese for storage. Wrap in plastic wrap or a zip-top storage bag.

TIP 2

CHILL

Store at less than 40°F and consume within 3-7 days after opening.

TIP 3

FREEZE

Store below 0°F and use within two months of freezing. Defrost in refrigerator for 24 hours before consuming.

TIP 4

COOK

Once thawing your frozen cheese, if the texture is brittle or the taste is more mild, use in recipes where cheese is melted (It is still safe to eat).
